INTRODUCTION: Step-by-Step Guide to Septemics

INTRODUCTION

Topic One

Septemics is an analysis system developed by Jim Marshall that revolves around understanding and utilizing seven dimensions of human experience and behavior. It provides a framework for individuals to analyze and enhance their personal and interpersonal effectiveness.

This Action Guide features Septemics and how to incorporate its principles into everyday life.

UNDERSTANDING SEPTEMICS

Topic Two

Septemics is based on the idea that there are seven fundamental dimensions that influence our thoughts, actions, and interactions. These dimensions can be seen as different "lenses" through which we can view our experiences and behaviors.

A baseline character is identified when located within the juxtaposition of the seven dimensions within each scale. Once pinpointed within the system, a predictable positive and negative pathway of choices become apparent. These predictable patterns of behavior help the individual see the direction their decisions will take them, either upward in integrity or downward toward duplicity. An individual trying to decide how much to invest in a relationship could be assisted through a Septemics analysis of their person of interest.

PEACE & SPIRITUAL LIVING

Topic Seven

Peace could be very elusive during a worldwide threat because of the stress any individual threat would create in one's life. Let alone if these threats appear in clusters or simultaneously, as often is the case. Dealing with stress is very important during times of personal relationship problems, financial, health, and survival issues. Successful stress management and remaining clear headed could make the difference in your survival.

More than stress management, maintaining your peace during a disaster could prove to be more valuable than the gold you stored to barter with. Having peace can help your family, friends, and all of those around you that are in a critical situation to survive in an abundant way.

Peace is directly associated with spirituality. If you have not considered spirituality, now would be the time to develop it while we are in a relatively peaceful time. Seeking a Higher Power for peace makes sense when so many things will be out of your control during a worldwide threat.

Believing Jews look to the God of Abraham, Isaac, and Jacob to bring them peace. Prophecies of the Messiah help the Jews focus on God as their victor and keeper. For Jews, their bible predicts the coming of the Messiah who will protect them and establish his forever kingdom.

PEACE & SPIRITUAL LIVING

Topic Seven

Those who know the Jesus of the Christian Bible will deal with stress completely differently than those who do not. There are several reasons for that. First, the bible is full of prophecies foretelling the birth and mission of Jesus to make peace between God and mankind in addition to his return to set up a kingdom of His peace. Jesus came and fulfilled the prophecies of his birth, death, and resurrection. Christians have a great deal of evidence that he will keep his promise to return and ultimately establish worldwide peace. The well-known Christmas prophecy hundreds of years before his birth in Isaiah 9:6 identified Jesus as the Prince of Peace. He offers that peace to you today if you but ask (John 14:27).

Prophecies are comforting and stress reducing because they come from a loving Higher Power that is communicating with his people what to expect. Prophecies for the Christian tell the nature of the times in which Jesus was, is and will be.

PEACE & SPIRITUAL LIVING

Topic Seven

To be part of the Worldwide Threat Family is to understand how to be prepared for the threats. Part of that preparation is to do your part to support the local storehouse that helps people in need, otherwise known as the local church. Both Jews and Christians know the importance of this principal from the example of Joseph in the Old Testament storing up goods in the storehouse. If you do your part to support your local church, God promises to protect the remainder of your supplies in Malachi 3:10-18. That should give you some peace as well.

If you are not walking in peace, we can help you by introducing you to Jesus and giving you free information that will help. We welcome you to contact us by phone **888-391-0354**, email at info@theworldwidethreat.com or text at **828-330-4883** and we will be glad to discuss all of this.

We hope to see you next Thursday for latest instalment of the Worldwide Threat. Until then, we will leave you with one last thought.

Jesus says in John 14:1-3, 27-28;

Jesus is the way to the Father

14 Jesus said to his disciples, ‘Do not be sad or afraid. Believe in God, and also believe in me. **2** There are many rooms in my Father's house. I will go now so that I can prepare a place for you there. If it was not true, I would not have told you this. **3** After I have prepared a place for you, I will return. Then I will take you so that you will be with me. You will be where I am...**27** I will go away but I will give you a gift of peace. It is mine to give and yours to keep. It is not like a gift that this world gives. Do not let yourselves be sad. Do not be afraid. **28** You heard me say to you, “I will go away, but I will return to you.” (EEV)
